

*This is one dream we'd like to share.* At Doctors Medical Center, our patients aren't just customers — they're family. This passion for people has earned Doctors the J.D. Power and Associates Distinguished Hospital Award for "An Outstanding Inpatient Experience." At Doctors, we cure, protect and serve others, and for our staff, there is no greater calling.

**THINKERS. DREAMERS.<sup>SM</sup>**

**DOCTORS**  
MEDICAL CENTER
